1. When you purchase goods and/or services from a merchant via Virgin Red (after clicking the 'Get Points' button) you will be entitled to earn Virgin Points if you comply with the relevant terms and conditions. Please note, that unless otherwise stated, you will not earn Virgin Points when making purchases via the merchant's app and in order to be eligible to receive Virgin Points, you will need to make your purchase through the merchant's website within one browsing session using your internet browser (e.g. Chrome, Safari, Firefox, Internet Explorer).

3. Virgin Points may be cancelled (and removed from your account) for any purchase which you have subsequently cancelled (i.e. if you didn't pay for or later returned the goods and/or services for which the points were awarded).
4. If you have a query about missing Virgin Points, please notify us via membersupport@red.virgin.com within six (6) months from the date of purchase. We'll then investigate. You will need to save evidence of any Virgin Points entitlement (i.e. proof of purchase) until the Virgin Points appear in your account. All requests for retrospective Virgin Points must be made within six (6) months. Please note that Virgin Points are usually credited within 45 days of a transaction but this may be longer for some merchants (i.e. travel and subscription merchants).
5. In order to earn Virgin Points, the shopping transaction needs to be in the name of the Virgin Red member.
6. Virgin Red members can earn Virgin Points based on spend in Pounds Sterling (GBP) only. Virgin Points will not be awarded for spend in other currencies.
7. Virgin Red retains sole discretion to close any Virgin Red account as per the Virgin Red Programme Terms and Conditions if we suspect dishonest or suspicious behaviour.
8. If coupon/voucher codes are used in a shopping transaction which are not listed on Virgin Red, you will not be able to earn Virgin Points on the transaction.
